

# CLASSROOM BASKET COLLECTION

We have two important fundraising events right around the corner - Dinner Comedy Night and the Charge of the Knights 5K! In lieu of the Theme Tray, this year where each family was asked to donate a basket, we are asking each grade to donate the components for baskets to be used for both events. Below please find the description of the themes for each classroom basket.

Students can start bringing in donations to their homerooms next week. Boxes will be placed in the class for the items. The collection will continue until Tuesday, March 27<sup>th</sup>. Your help is greatly appreciated. If each child sends in 1 "supply", we are sure to build some awesome baskets! Thank you for helping us with these SSPP fundraisers!
