and the adult mentors who guide their faith journey.

Honorees include

Rev. Jerome E. Kopec

The Venerable Nelson Baker Award is named for Buffalo's own Father Baker, a priest whose ministry was focused on advocacy for young people. Father Baker was committed to provide young people with love and guidance, and he took special care to instruct them in the skills that they would need to be successful in life both as workers and disciples. The Venerable Nelson Baker Award is award presented to a priest of the Diocese of Buffalo who has embodied this same spirit and follows in those footsteps as an advocate for the young Church.
