Dear Parents,

Tomorrow, our 8th grade class will be hosting a **Chiavetta's Chicken Dinner on Fri., Oct. 12th from 3:00-6:00 pm**. Please help support this event which will provide them with funding for their class trip to Washington, DC.

We're starting another **Box Tops collection competition!** The class that collects the most by Fri., Oct. 19th will win either an Ice Cream or Pizza Party! Submit your Box Tops to your class Room Parent! Ask aunts, uncles, friends, and grandparents to collect for you as well!

School photo days are scheduled for next Thursday and Friday, October 18th and 19th. Your child's teacher will let you know which day their class is scheduled for photos. Your child may dress out of uniform on this day in an outfit appropriate for school photos and a Catholic school! Order forms are enclosed in today's Family Folder. Orders can also be placed online. Be sure your child returns the envelope with their name and class listed to give to the photographer for identification. Payment should also be included if not paying online.

SSPP Parish Community is hosting its **9th Annual Community Clothing Exchange** on Sat., Oct. 20th from 9:00 am to 12:00 pm in the school gym. All items at the Clothing Exchange will be available FREE of charge.

Donations of gently used clothing, shoes and accessories for the Exchange will be accepted from Oct. 15th – Oct. 19th from 7:00 am to 7:00 pm in the school garages in the back of our parking lot. Volunteers are also needed to sort the items, set up the gym and clean up afterwards. Contact Rose Quebral at 635-9488 or pquebral@verizon.net if you are interested in helping; this is another great service hour opportunity for students!

Our annual **Halloween Party** is scheduled for Sat., Oct. 27th from 6:30 – 9:00 pm at the school. The cost is \$10.00/family and will include a costume contest, photo "boo-th", pizza, snacks, a DJ for dancing in the gym, games, trick or treating, haunted hallways and lots of FUN! This is a family event; therefore parents must stay with their children...it's a great way for families to get to know one another! Volunteers are also needed for this event. If you are interested, please sign up here <https://bit.ly/2zw5xaF>.

Be sure to check out our exciting **new fundraiser for our school** -

iWorldFundraising.org! You (or friends or family members) can shop their

online marketplace where 100% of the retail profit from any purchase will be donated back to our school. The site also has a link to donate directly to the school. Check it out here:

Parents of students in grades 3-8, please be sure to check your **Parent Portal** account regularly. Teachers update grades and missing assignments frequently. Progress Reports will be uploaded to the Portal next Thursday, Oct. 18th, as well.

Our first **Teacher Treat of the Month** sponsored by our 3rd, 4th and 5th grade families was held yesterday and we were all fed so well! MANY thanks to all those families that participated in this event and helped put smiles on all the teachers' faces!

Any parent whose child is interested in and/or plays a sport at SSPP is invited to attend **our Sports Booster Meetings** each month. The next meeting will be held tonight at 7:00 pm in Room 104.

Please be sure to read the enclosed information regarding the **First Tee program**. In more than 9,000 elementary schools across the United States, many students are teeing off for the first time thanks to The First Tee National School Program, which brings their curriculum to gyms during physical education class. We would like to bring this program to our school in order to help our students learn the basic skills of the lifelong sport of golf alongside the delivery of The First Tee Nine Core Values and Nine Healthy Habits. More information about this program is enclosed in your folder.

A former SSPP family member, Carla Baran, continues to organize a **Ski Club** for our school at Kissing Bridge. Skiing will occur on Saturdays beginning January 5, 2019 from 1:00-7:00 pm. There is no bus transportation and families are encouraged to ski together. Pick up a registration form at the school office or online in the Family Folder page of our school website (Under the "Current Families" tab). Registrations are due by Oct. 30, 2018.

As part of our STREAM initiative, we are looking to our parents to offer a window into real-life applications for our students. If you might be willing to share your real-world experiences, please complete the enclosed form and return it to Mrs. Lindner. We would love for our students to learn about a variety of different ways they can connect what they are learning in school to daily life!
