# Art SUPPLIES

There is a \$5.00 fee/child for art supplies.

-This will cover all of the materials needed for students in grades K-4.

-For students in grades 5-8, they are also required to purchase a portfolio that will stay at school and house their artwork. This will remain with them from grades 5-8. They will also need to purchase a sketchbook (which may need to be replaced one time). These purchases are in addition to the \$5.00 fee which will cover their art tools.
