To Out of District Non-Public School Principals:

Lancaster Central School District has created an electronic form for parents to use to register for bussing for the upcoming school year. Lancaster school district students that are planning to attend non-public schools in the upcoming school year must electronically submit this form with the Transportation Department prior to April 1st. This form is available on our district website (www.lancasterschools.org/transportation). We have included an instruction sheet to be distributed to any of your Lancaster Central School District Students to help them with this new process. Paper forms are no longer being accepted.

Once approved by the Board of Education, the LCSD calendar for the 2022/2023 school year can be found on the homepage of the district website (Calendar at a Glance). Transportation will be provided in accordance with this calendar. Students will not be transported when Lancaster Schools are closed.

New students in the district must make an appointment with the Lancaster Central School District Registrar, Ms. Michelle Clark (716) 686-3218, to complete the initial student process. Please stress the importance of filing these forms in a timely fashion. This will enable our department to plan transportation for all students in similar circumstance.

If you have any questions, please call the Transportation Department at 686-3291.

Sincerely,
